**RESPONSE TO RESTRICTION REQUIREMENT**

Responsive to the Office Action dated July 13, 2005 in the patent application identified above, Applicants elect Group I: Claims 1-6 and 23-34.

This election is made with traverse of the restriction with respect to claims 35-42, which should be included in Group IV rather than Group III. Applicants also object to the Examiner's characterization of the subject matter of the claims of Groups I and II. Additionally, Applicants note that the original listing of claims included two claims numbered "42" and thus renumber claims 43-64 and submit an additional fee of \$50 for the additional claim. This renumbering of claims suggests modification of the restriction groups as described below.
